Work Experience

November 2023 - Present: Aurora Fireworks, a firework display company that provides pyrotechnics for events across Sussex. As part of this I am working towards my BPA Firer's qualification.

June 2023: Breathe HR, I spent a week on a work experience placement with Breathe HR, a company that develops HR software. This gave me an insight into the software development process.

September 2023 - November 2023: The George and Dragon, a pub and restaurant where I worked as a waiter. This allowed me to develop my interpersonal and team skills.
